

*Prestige Masonry*  
ARCHITECTURAL BLOCK SERIES  
**SMOOTH**

As our most economical option, smooth face units are created to deliver a uniform face texture that works as a field color or as an accent.

Great for schools, libraries, municipal buildings, museums, stadiums, theme parks, and recreational facilities.

- Meets ASTM C90 specifications
- Manufactured with integral water repellent (IWR)
- Available in veneer, structural, and oversize units
- Custom colors and mix designs available

Canary Islands JCL-3532

NOTE: Actual colors may vary from current production runs.  
Always contact a Johnson Concrete Products sales representative for samples.

The JCP color lab is available to work with clients in creating custom colors and matches.

Large enough to deliver.  
Small enough to care.  
Since 1947.
